PROCEDURE FOR OBTAINING REGISTRATION UNDER
THE PLASTIC WASTE MANAGEMENT RULES, 2016

1. Plastic Waste Registration

"Registration" is required for manufacturer of multilayered packaging, plastic carry bags and sheets and recyclers and producer of granules.

2. Who needs Registration:

- Units or agencies engaged in production of plastic raw material to be used as raw material by the producer.
- Processing of transforming segregated plastic waste into a new product or raw material for producing new products; and
- Granule manufacturers of plastic
- Bio-degradable plastic manufacturers and traders

3. Application Process:

- The industry shall apply through OCMMS <https://ponocmms.nic.in>. For first time Registration as producer of Plastic bags, sheets in prescribed Form – 1, recyclers / re-processors in Form-II and Granule or raw material production in Form-III prescribed under the Plastic Waste management Rules before starting commercial production.
- In case of first time application, Registration is issued for one year from the date of application.
- The industries have to apply for renewal of the Registration order 120 days before its expiry.
- The applications are verified and examined at field level to examine the compliance status & to decide the issue of Registration.
- PPCC is issuing Registration with a validity period of one year and after that renewal for three years.

- No fee is required for Registration/Renewal.

4. Information/ documents/ copies to be submitted along with hard copy of application:

- Location map and site plan (plant layout)
- Flow chart of the process system/procedure (with photographs)
- Copy of Consent to Establish certificate
- Copy of Consent to Operate certificate (if already obtained)
- In case of application for renewal of Registration submit a Compliance Report w.r.t. previous Registration.
